cdh.idaho.gov/covid-vaccine | coronavirus.idaho.gov/covid-19-vaccine

The following list of enrolled vaccine providers includes those currently receiving vaccine allocations. There are a number of other enrolled vaccine providers in our community not yet receiving allocations at this time.

However, as vaccine supply increases, Central District Health (CDH) will begin allocating doses to those providers.

This list will be updated as changes occur.

Weekly vaccine supply allocated to enrolled vaccine providers remains limited.

If you are in Group 1 or Group 2.1, and you need to be connected to a vaccine provider, contact CDH's Call Center at (208) 321-2222 M-F, 8:30 am to 4:30 pm & Saturdays, 8:30 am to 12:30 pm.

ELIGIBLE INDIVIDUALS MAY ALSO DIRECTLY CONTACT VACCINE PROVIDERS ON THIS LIST.
